Draft Conceptual Approach.v3.docx

David – We are meeting with Martin at 1:30 and Shaun at 3 pm today to get their initial reads on this comm strategy. Please let me know if you would like to or can join either of those meetings -- Also let me know if you have time to provide any thoughts on this – otherwise we will catch up with you on the next draft. Subject: Draft conceptual approach

Hi, All.

Attached is the latest draft of the conceptual approach for communicating information about Superfund and NPL listing for the Upper Animas. It includes edits that Johanna and I made to yesterday's draft.

Richard – would you look specifically at the yellow highlighted text?

We have a quick turnaround on this. Please get your edits, comments, suggestions back to me by noon.

Thanks!

Cynthia
